

**Hola 5th graders!** A reminder that Spanish work is not optional! you are expected to do your work by Friday

This week we are going to learn about a famous artist from Colombia: Fernando Botero. Born in Medellín, his signature style, known as "Boterismo", depicts people and figures in large, exaggerated volume, which can represent political criticism or humor, depending on the piece.

The link below takes you to " El museo de Fernando Botero" en Bogotá (the capital of Colombia).

You will see some of his work
