

Lesley Ellis School Vacation Clubhouse 2021-2022

What's it all about!

Vacation Clubhouse at Lesley Ellis School is a great way for students to enjoy a non-school day. Each day has a specific theme and is filled with related activities.

We have three programs; Early Childhood (Preschool, PreK, and TK), Elementary (Grades K-4) and Middle School (Grades 5-8). Each program is designed to offer age-appropriate educational and physical activities, crafts, and games.

Enrollment is limited so that we are able to ensure a fun and safe day for all students. Please sign up now if you know that you will need childcare on any of the program days, or sign up during the year as far in advance as you can to ensure a space for your child. This year we will not be able to offer Vacation Clubhouse to siblings and friends of Lesley Ellis students who are in Preschool - Grade 8 and do not attend Lesley Ellis.

We look forward to spending some time together with your child.

Sincerely,

Jeanette Keller
Auxiliary Programs Director

Please take a look at this year's dates!

- Enrollment is on a first come, first serve basis.
- Vacation Clubhouse Days require a minimum enrollment and have a maximum enrollment.
- Pick-up times are at 3:15 and 5:30. Parents arriving after these times will be assessed a late fee.

Here's how it works!

Early Release Days

Get Smart with Art

We will learn about the Arts and explore how to express our creativity while challenging our intellect. Each group will explore ideas, subject matter and culture in delightfully different artistic ways. This will include Visual Arts, Dance, Music, Theatre and Writing.

Conference Days

Join us for Engineering Everywhere!

Science explorations happen throughout the day. Build towering dowel structures. Design houses out of giant cards. Try building a structure out newspaper and make it strong enough to hold as much weight as possible. Investigate basic circuitry and build your own light-up game out of recycled materials! Also, take a look at how nature can inspire engineers. What sort of design will you think up?

Vacation Clubhouse Weeks

Weeklong themes are incorporated into everything we do for four full days. Each week is filled with a variety of activities and events that revolve around our theme.

February Clubhouse Week Go for the Gold!

Let the games begin! We are going to start passing the torch as we compete against our friends to see who will win the gold! Come play your favorite Winter Olympics games!

April Clubhouse Week Shark Week

Are you a future Elon Musk? Come flex those entrepreneur muscles during a Shark Tank Week. We will organize groups of inventors and give you the chance to brainstorm your ideas to present at a Shark Tank-style pitch meeting. Create, design and market your product.
